Volunteer Opportunities

Book Sort In the Library Auditorium (May involve lifting)

Thursday 10:00 am to 12:00 pm

- Organize Donations and box or shelve books

Other Activities that can be done during Book Sort

- Put Finishing Touches on Notecards (folding, putting together with envelopes and into sleeves and/or boxing sets of cards)
- Fold Brochures, cut bookmarks & info sheets, etc
- Look at the pictures posted on the inside door of our book storage closet. There are pictures of books either Library staff or we are hoping to find...see if you can find them on the shelves.
- Maintain FOL Bookshelves in the Library Gallery. Restock with books in metal cart near shelves with books in the auditorium.
- Alphabetize books on the shelves in the auditorium
- Review contents of "free" box. Take to Goodwill if no one wants anything

Join us for our coffee break at noon. We usually have cookies, too!

e-Bay book pre-sort

This could be done during book sorts or perhaps at home or another time. tba. During sort each week, volunteers notice books that might be of higher value. We need a volunteer to go through the box every week and make a determination: (Back to the regular sale; Not worth selling on line, but probably a special price; and probably for e-Bay). The goal is to make a quick decision. We will train you. This could be done at home, during sort or at another scheduled time at the Friends' Desk. **Contact Helen Gerhardt if you are interested.**

Book Research Homework Team

Come by during one of the Sorts. Pick-up up to five books to research for pricing. You can do this at the library on a smart phone or your laptop, but it may be easier to do at home. Join some recommended Facebook groups to learn more about book reselling Gather information about recent sales of book to see if it is worth listing online. Possibly take photos of books and create listings. **Contact Helen Gerhardt if you are interested.**

Book Photography

Take photographs of books ready to list on e-Bay. We have a camera you could use, but it is not intuitive, so it would work best with a smart phone and upload to a flash drive. See Helen for more information. **Contact Helen Gerhardt if you are interested.**
